

Chapter Seven (d): Deleting a Network Time Protocol Server

Summary of Chapter:

- How to delete a Network Time Protocol Server on your Pilot.

What you need:

- Knowledge of Admin user account and valid password for your Pilot.

Software Revision Required:

- Applicable to software revision 5.2.0 > Net/CachePilots

(Net/CachePilot will be referred to as 'Pilot'. All image examples are of a NetPilot.)

Deleting a Network Time Protocol Server:

- Log on to the Pilot as shown in Chapter One (b).

- From the left-hand side of the screen, select 'Time and date' and then 'Time servers'. (All links are highlighted below).

- You will be presented with the screen shown above.

- Highlight the time server you wish to delete from the list provided and select the 'Delete' button, as highlighted above.

- Select 'OK' and 'OK' again to confirm.
